

QUICHE, GLORIOUS QUICHE

baking instructions

1. Do not thaw your quiche before baking.
2. Preheat oven to 325°.
3. Remove the protective plastic wrap.
4. Place quiche on a baking sheet (or you will be sorry as it will leak all over your nice clean oven!).
5. Bake for approximately 1½ hours (start testing for doneness at one hour). **IF YOU ARE BAKING A MEDITERRANEAN QUICHE, BAKE AN EXTRA 10-15 MINUTES.**
6. Remove from oven and let set for 10-15 minutes before serving.

Note: If you thaw your quiche before baking, the quiche will leak out of the holes in the bottom of the pie tin, making a big mess. Therefore, please pay close attention to #1 above.

Another note: Quiches may run over during the baking process, so please pay close attention to #3 above.

You can pick up quiches any time during the year, for any occasion. Just give us a call or stop by Café Classico any week day between 9am–1:00pm. We always have quiche on hand!
