

Together let's renew our support for Boulder's emergency services, arts & culture, and community facilities - *for all of us!*

Voting YES on 2M & 2N will help:

Broaden the reach of COMMUNITY facilities

- Tackle hunger in our community by improving Meals on Wheels of Boulder and Growing Gardens facilities
- Make biking more accessible with a new Community Cycles center at Boulder Junction
- Expand recycling & reuse at the Center for ReSource Conservation
- Improve recreation facilities at Scott Carpenter Pool

Together we can help preserve and protect the community we love!
